

DELTA 135

The support and comfort provided by the Delta 135 seating range is second to none.

This chair combines maximum ergonomic effectiveness with the durability of AFRDI Level 6 and GECA certification. This popular chair is the ultimate in hardworking task seating, designed especially for the 'above average' user.

Standard features on the Delta 135 Ratchet include a large injection moulded contoured seat, injection moulded contoured back, 3 lever heavy duty mechanism (3.5mm steel), height adjustable gas lift, adjustable back tilt and easy ratchet adjustable back height.
