

# Delta 135 Comfort Duo

The Delta 135 "Comfort Duo" provides exceptional comfort and ergonomic support for the user.

Manufactured in Australia, the Delta 135 Comfort Duo range of chairs utilise Dual Density/Dual Hardness moulded foams with the unique split-seat (back section 15% softer than front).

The spine is encouraged to maintain an upright position allowing the user to sit correctly.

The Delta 135 "Comfort Duo" include 3 Lever heavy duty Ratchet mechanism (3.5mm Steel), moulded foam, options include black adjustable arms, lumbar pump standard black and alloy 5-star base.

Recommended by Medical Practitioners featuring leading comfort and support that is essential for workspace health and well-being.
